INFORMATION REQUESTED BY THE BOARD OF DIRECTORS 2010
(To accompany your organization's letter of inquiry)

Please fill out the form on the following page to accompany your letter of inquiry. This information must be provided separately from any other budget information provided in your proposal. No request will be considered without this information.

Please note that we are asking for your project or program start and end dates, not the expected duration of the grant. Please ensure that your letter of inquiry defines exit strategy for the project if there is no specific end date.

*Please list any previous Munson funding to your organization in the following format: **1999: \$10,000; 2000: \$10,000; etc.***

We are aware that not all projects fit neatly into the request for information as follows. Please do the best you can filling in the blanks. Feel free to include explanatory notes on a separate sheet.
